SUBSCRIPTIONS.

This is a goodly world, my love, And oh, how fair it seems When shadows fall not in the way here is no darkness on our life, That you and I can see.

Some beauty from our life will tude And sweets from flowers doe; We rend thin, do we not, my love?

And I cannot forget, That where I now but ki-a the rose. A lily may be set

The well to quesk of this, my love, And well for us to know. That every moneraful vicios we hose Had once a pleasant flow Your votes and mine will change the In singing and in preyer. And one by come we shall make up. The bardous we must bear.

temporal to the may be consistent, and the relative types that such his homselveper and serviants out hinneld.

Who shall say what were the thoughts that filled
the saim! of the sweary old men that night, or what
forgotten past! Did he hear the wind rustling the
loaves of the held with the past—the far, but unforgotten past! Did he hear the wind rustling the
loaves of the old elin tree! Did the gungle of the
sayring, the fall of the brook, the song of the birds,
lld his are with their old musse! P Did his maggle
and her voice
wow him to sleep with some of her old mountain
songs? What fairy form was that? Did his angel
Kate hover around his bed, and did her lips press
his, and was her kins now on his herow! Were
himse her arms around his held, and did her lips press
his, and was her kins now on his herow! Were
hows her arms around his neck once more in the
embrace of girlhood, and was that meladious voice
hers again musumring in his ear.—"I love you,
howeyou, howther Ned!" And did her cheek, her
valvat cheek lie clase in his, and did hed draw him
claser, closer to her in that hely clasp, and was and

### FASHIONS FOR SEPTEMBER.

The known some mean men in my time are was Deacon Overrach, now; he was so in he always carried a her in his gig-box when taxvelled, to pake up the oats ho horse wated in manger, and lay an egg for his breakfast in the manger, and hen there was then got Rimmelman, in made his wise dig potations to pay for the manager like the property one was sound. The very finest only were get license. Lawyer," he continued, addressing the same and the property one was sound. The very finest only were selected, and the moisture, if any, carefully wiped off; such apple was then rolled in clean, dry,

on my head, and it's theraper than publishing basine, after oil. You see, ar., it's potate-digging time; allhew Cult and if I wait to be called in Church, here inther will have her work for nothing; and as lands are scarce and wages long, if I marry her to-slight, she can begin to dig our own to-morrow; and that will pay for the Inentes, and just seven shillings over for there and a men in all Clements that can dig and curry as many bushes in a day as Greetchelm; sam, And besides, fresh waves, like fresh services, was, they have made and the scale of the sca

### CAPTAIN JO.

THE LEARNED ELEPHANT.—"That's a werry knowin' handmal o' yourn," said a Cockney gentleman to the keeper of an elephant.
"Very," was the cool rejoinder.
"He performs strange tricks and hantics, does he?" inquired the Cockney, eyeing the animal thought his glass.

through his glane.

"Surprisin'," retorted the keeper, "we've learned him to put money in that low up there. Try him with a crown."

The Cockney handed the elephant a crown piece, and more enough, he took in his trank and placed it in a box high out of reach.

"Well, that is werry heatmordinary—handon-him', truly "wist the green one, opening his eyes."

Now let's see him take it out and hand it back "" We never learns him that trick," retorted the keeper with a regueshal leer, and turned to stir up the monkeys and punch the hyenas.

IRBN HONTERS.—Seeing and satele in your last shout being "competent of taking care of horses," reminds me of a story we heard of a physician in Saco, Maine, who hird a puddy as groom. One dark night, being sent for to visit a patient, is teld Teddy to go get his horse and put him to the such kyr. After waiting a long time, he went out, and found him sested on his back, with kir bade to wards the horse's head—the first thing he sad was, "By St. Patrick! 'Pee got the hardest part over, I we come the such that the people tore spen their shinces, and lad the droubt him sested on his back, with kir bade to wards the horse's head—the first thing he sad was, "By St. Patrick! 'Pee got the hardest part over, I we went out, see the horse's head—the first thing he wad was, "By St. Patrick! 'Pee got the hardest part over, I we went out, we were, rendered even this unavailing, and at length to graph the form of the such and the first thing he wad was, "By St. Patrick! 'Pee got the hardest patrick! and the first thing he wad was, "By St. Patrick! 'Pee got the hardest patrick over, rendered even this unavailing and at length to graph the form of the such patrick." The form after a time, however, rendered even the unavailing and at length to graph the form of the form of the form of the town of the form of the form of the first thing he wad was, "By St. Patrick! 'Pee got the hardest patrick over, the form of the for Skating was known to the ascestors of the North-ans, if we take the date assigned by some author

Hague. The result is given as follows by a writer who takes lin-facts from a French historian.

"When they left Utrecht, it was clear fresty westles, and the effect of the moon and stars upon the even sheet of ice, ever which they sweet like a breeke, was truly magical. By degrees, as they advanced, the visible horizon of earth was obscured by caper, and they could see nothing around, above, or beneath them, but a circular rapame of ice, bounded at the edge by thek grey clouds, and canopied by the starry curtain of the sky. The strange groaning sound which ever and anon bounded along the frome wildermess, had at first some-thing inexpressibly terrific to the imagination; and as it died fittilly away in the distance, the space sur-
